

**PHOTO RELEASE AND
WEBSITE PERMISSION FORM**

On occasion, we update our website and Facebook page with photos and videos of various activities at school. This is a lot of fun because you are able check them out, share them with friends and family to show them of what is going on at school.

Please complete the form below to either deny or give permission for us to post your child's image on our website and Facebook page.

✂-----

I hereby give / do not give permission for Poway Country Preschool to use photos and videos taken of my child to post on our website and Facebook page.
